

Although the “Choosing the Right BarTender” white paper has been discontinued, there are two good sources of information available.

- For a full feature and editions comparison, please see the Specs and Features page (available in 11 languages!) on Seagull’s web site:

<http://www.seagullscientific.com/asp/bar-code-label-software-features.aspx>

- An abbreviated overview of features and editions can be found by downloading the BarTender Brochure (available in all 23 languages!) from the brochures page:

<http://www.seagullscientific.com/asp/view-or-print-brochures.aspx>
